To Whom It May Concern:

As a Director of the Riverside Chapter of the BNI networking organisation I am happy to endorse Park Plaza Tyrrelstown Hotel. Our group holds a weekly meeting in a private room at this venue and the quality of service on offer has always been exceptional.

Staff are friendly, courteous and always happy to accommodate any need, whether this is concerning additional seating, presentation equipment or just supplying a good cup of coffee!

The location of Park Plaza Tyrrelstown has also been a huge advantage to us. Its proximity to the M50 and the nearby Blanchardstown Corporate Parks have allowed us to access a large and varied number of businesses in the West Dublin area.

We have also found Park Plaza Tyrrelstown to be very competitive in its pricing structure which was an important consideration. I would wholeheartedly recommend the hotel as a business venue and meeting place.

Sincerely,

David Fitzgerald,
Chapter Director, BNI Riverside / Managing Director, Scapegoat Design Ltd.
